Strategy	a plan of action designed to achieve a long-term or overall aim

Top Study Tips:

Follow us: @BusinessBuzzTHS

A one-stop shop for all things Business! Invaluable help with your Business Studies A Level with current articles, exam tips and research gems.

Have two Lever Arch Folders – one for each teacher

Use file dividers to organise each topic. File your notes carefully each week – remember to date classwork so you remember the sequence of each lesson. This will make revision easier.

Use your Course Companion Booklets to make cue cards

For each unit you will get a booklet with key terms. Use the glossaries to make cue card – put the term on one side and the definition on the other - useful now and a great revision aid for later.

Type up class notes and add to them.

This is a great way to consolidate your knowledge, commit things to memory and make your knowledge deeper.

Keep revisiting work and topics

Don't simply file away and forget. Routinely to go over last term / year's work.

Read around and be excited about your subject! Use our recommendations. Use the library or borrow books from us.
