

Why study A Level Business at Tarporley Sixth Form?

- Mrs Berry
- Head of Business & Economics
- BA HONS Business Management MMU
- Specialises in Marketing and HRM

- Mrs Rowlands Business Teacher
- BA HONS International Business MGT Staffordshire
- Specialises in Finance and Careers

Why we love teaching A Level: “Business opportunities are like buses, there's always another one coming.” – Richard Branson. Business is everywhere, we are all consumers and actively contribute to the local and national economy in some way great or small. Business and Economics are fresh, relevant and dynamic subjects, no two lessons will ever be the same. If you enjoy active debate and you are interested in the wider world around you then Business & Economics are two subjects you may be interested in. A Business or Economics degree helps prepare you for careers that require numerical, analytical and problem solving skills – for example in business planning, marketing, research and management.

The Business & Economics team at Tarporley High and Sixth Form are dedicated, experienced and knowledgeable professionals. The exam board expertise on both courses is essential to student success.

Where could Business take me?
