“The opportunity to learn an instrument offers something very special that can last a lifetime”

Why choose Music for Life?

Music for Life offers children something special. For over 25 years we have worked in partnership with over 100 music tutors who visit 130 schools teaching 4,000 children each week from complete beginners to some of the most accomplished young musicians in the UK. Two national independent reviews of school music services rated Music for Life an “outstandingly effective service” offering parents and schools “outstanding value”. Music, like language, is a fundamental part of human existence and of the societies in which we live. The opportunity to learn to play an instrument enables children to participate in an activity which many will find to be one of the most formative experiences they have as they grow up, developing an interest and a skill which opens up so many possibilities now and in later life. A bonus is that involvement in music has been shown to have a positive effect on other aspects of development—social skills, language, physical coordination and emotional development.

“May I take this opportunity to say how very happy and impressed we are with the level of care and motivational input given to young musicians by ALL of your staff”

“A big ‘THANK YOU!’ to Music for Life for the wonderful service and great teaching for quite a number of years!”
