

School Uniform

Dear Parents and Carers,

During this term many of you will start to purchase new uniform for the start of the academic year in September. It is therefore important that we all have a shared understanding of the school uniform at Tarporley, enabling you to make informed choices about the correct purchases for your child.

To help parents determine what is acceptable as a shoe and what is not acceptable as a trainer we have attached a visual guide showing examples. I would also like to remind you that any piercing above the allowed small earrings in the lobe of the ear must not be worn in school. All students who have a piercing that are not allowed in school will be instructed to remove them if worn at school.

In the uniform list below, we have responded to feedback from parents and students about socks and tights. To help with affordability and availability students will now be able to wear black or grey tights and back, grey or white socks. The only other change is to return to the school tie in all year groups.

Please find below a list of the uniform that will be required from September to enable you to plan any new uniform purchases.

As previously mentioned, Uniformity have requested that "back to school" uniform orders ideally would be made as soon as you possibly can, but no later than 31 July 2021.

We are looking forward to your child joining us in September; it is unfortunate that we have been unable to do our usual transition events but hope that the information you have had has been helpful.

Kind regards
