## School Transport

- Cheshire West and Cheshire East provide the majority of the transport to the school.
- You may want to contact your Local Authority to see if you qualify for free school transport.
- If eligible, you will need to apply online using the Cheshire West/East Website.
- In Cheshire West since September 2015 travel assistance has only been offered to pupils attending their nearest school (with places).

**Quick Overview**

**Details**

[REDACTED] was diagnosed with ADHD in March 2025.

He can fuss in class. He needs to move and finds sitting in the classroom for long periods a challenge.

[REDACTED] recognises that he looks for excuses to move in the classroom. Where possible, give him the chance to move about the room. If he's dysregulated, encourage him to take short walks around the classroom or to have a short movement break outside.

[REDACTED] is very articulate and can identify strategies that might help him. He'd benefit most from teachers who are open with him and get him 'on board' with ways he can be supported.

He responds really well to short term praise, rewards and incentives.

**Strategies**

**Student Voice**

I like to sit next to someone that I can talk to about the work. Please talk to me about someone who would be helpful to sit next to.

[REDACTED]

**Suggested Strategies ADHD**

Structure and Clarity:

Clear Routines: Establish consistent routines and expectations for behaviour and learning.

Visual Cues: Utilise whiteboards, timetables, and checklists to keep students focused and on track.
