1 HOW TO ACCESS THE VLE

We recommend using the latest version of Google Chrome as your web browser to access the school's online resources. This web browser has been tested and is 100% compatible with all major brand devices and operating systems. This is free to install and fully functional with all of school's online app's and services. If you don't want to use Google Chrome please use your preferred web browser.

1. Open Google Chrome (or your preferred web browser) and go to the [Tarpорley High School Website](#), select the **Students** tab from the top right-hand corner, then select **VLE**.

Instructions

2.1 ADDING WORK TO YOUR ASSIGNMENTS

With your Assignments you may be required to submit work, please follow the below steps depending on the device you are using.

2.1.1 UPLOADING WORK FROM A DESKTOP COMPUTER

1. In the Assignment you are working on, at the bottom of the Assignment details is a button to Add Work. Select **Add work**.

2. A pop-up box will appear, select the location of where the file (work) is saved.

Most of the time this will be 'Upload from this device', unless you have saved the work into your student OneDrive area.

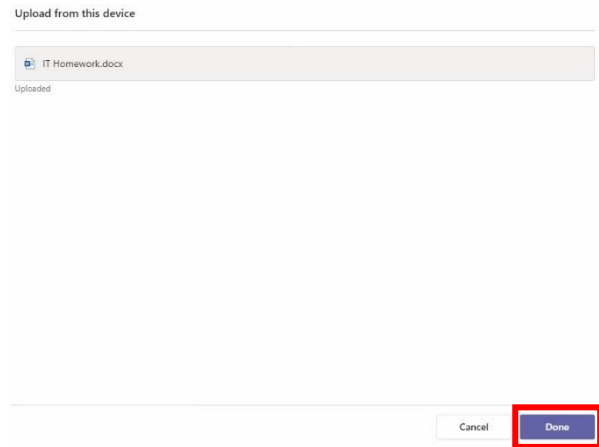

If you select OneDrive, this will list files saved in your OneDrive (cloud storage). Select the relevant File.

If you select 'Upload from this device' a pop-up box will appear, this will be 'file explorer'. Use this to locate the file on your device.
Once located and selected, select **Open**.

3. Once you have selected your file it will then upload. Select **Done** to finish the upload.

4. In your Assignment the file will then be attached.

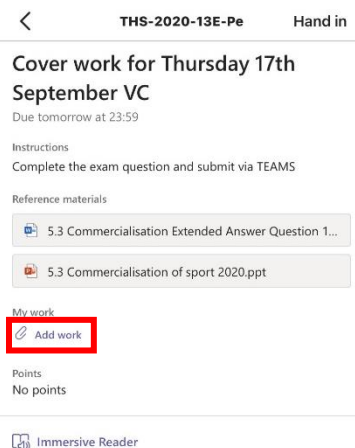

If you need to remove the file, select the 3-dot menu, then select **Remove**.

2.1.2 UPLOADING WORK FROM A MOBILE DEVICE

1. On your mobile device, locate the Assignment then select **View Assignment**.

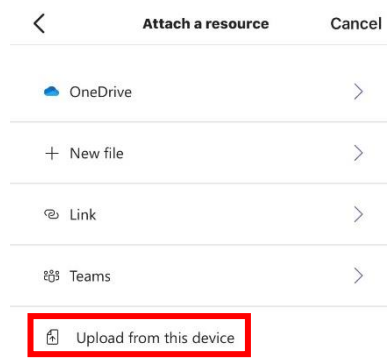

2. The Assignment will be shown, select **Add Work**.

3. Select the location of where the file (work) is saved.

Most of the time this will be 'Upload from this device', unless you have saved the work into your student OneDrive area.

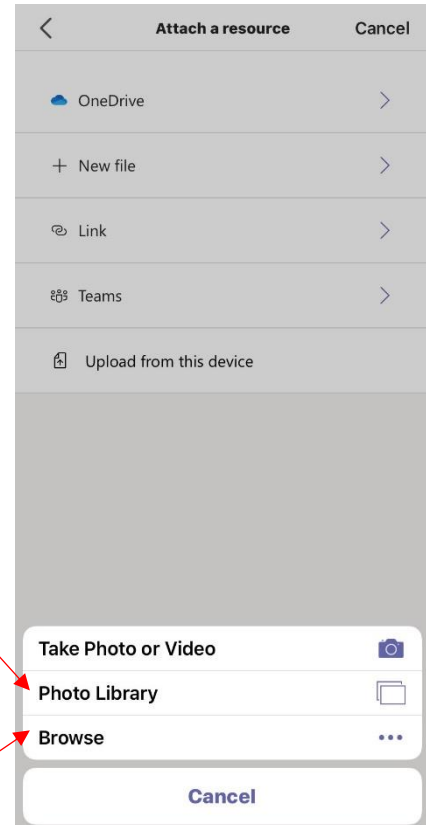

- Depending on your mobile device, you will be prompted on where to select the file from.

If you have a paper document you need to upload, take a picture on your device first then add via your **Photo Library**.

If you use 'Take Photo or Video' the quality of the image is low and will not be suitable for submission.

If your work is a document saved on your mobile select **Browse**.

Your file will then be added to your Assignment.

2.2 HANDING IN ASSIGNMENTS

When you have completed your Assignment and uploaded your work, you need to Turn In/Hand In your Assignment.

On the Assignment details there is a button in the top right-hand corner to **Turn In**.

If you are handing in work late, the option will be **Hand in Late**.
