

Parents, Carers and Professionals are invited to

The Autism Service

Transition to High School Online Event

Date: 9.2.22 Time: 10am-2pm

We are encouraging parents of Year 5 & 6 children to apply, alongside any carers and professionals who are supporting children during the transition phase

This event has been extremely well received in the past and if you think it would be of interest to you, please secure a place by e-mailing autismteam@cheshirewestandchester.gov.uk

Please note that the closing date for applications will be Friday 28th January 2022

What's happening?

There will be opportunities to attend workshops via Microsoft Teams and these will be delivered by The Autism Service Teachers. Workshops will include:

- **supporting organisation and independence**
- **developing strategies to address emotional well-being**
- **supporting the communication needs of the young person**

There will also be information provided by High School SENCOs focusing on effective joint parent/school working.

A virtual marketplace experience will be co-ordinated so that you can learn more about outside agency support, such as help provided by the National Autistic Society (NAS), Disability Positive (Originally CCIL), Cheshire Autism Practical Support (ChAPS) and the Independent Advice and Support Service (IASS).

You will receive a copy of The Autism Service Transition to High School Pack and this will be a useful tool to use with the child you are supporting both in school and at home.

We look forward to receiving your application and meeting you on the day. Please do not hesitate to contact us, via e-mail if you have any further questions about this event, and we will be happy to help.
