1 HOW TO ACCESS THE VLE

We recommend using the latest version of Microsoft Edge as your web browser to access the school's online resources. This web browser has been tested and is 100% compatible with all major brand devices and operating systems. This is free to install and fully functional with all of school's online app's and services. If you don't want to use Microsoft Edge please use your preferred web browser.

1. Open Microsoft Edge (or your preferred web browser) and go to the [Tarporley High School Website](#), select the **Students** tab from the top right-hand corner, then select **VLE**.

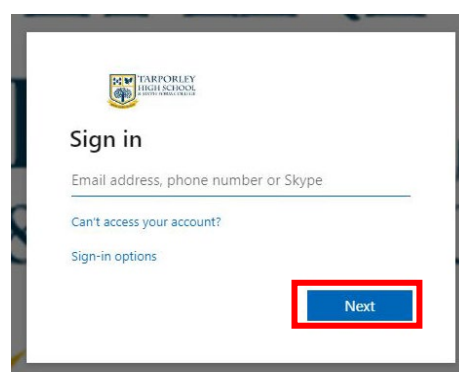

Parents | Staff | **Students** | Go

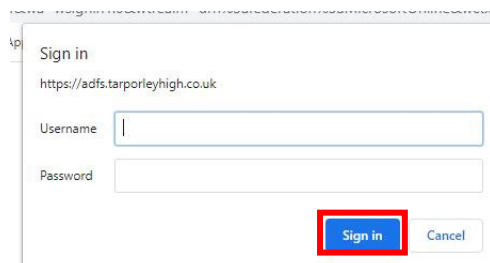

2. A new tab will open. You will be asked to Sign in. Enter your school email address and select **Next**.

Your email address is your Username followed by
@tarporleyhigh.co.uk
e.g. 2019JBloggs@tarporleyhigh.co.uk

If you don't know your email address or password, please phone the school.

- A pop-up box will appear asking you to confirm your username and password.
Enter your email address and network password, then select **Sign In**.

Instructions

2.1 ADDING WORK TO YOUR ASSIGNMENTS

With your Assignments you may be required to submit work, please follow the below steps depending on the device you are using.

2.1.1 UPLOADING WORK FROM A DESKTOP COMPUTER

1. In the Assignment you are working on, at the bottom of the Assignment details is a button to Add Work. Select **Add work**.

2. A pop-up box will appear, select the location of where the file (work) is saved.

Most of the time this will be 'Upload from this device', unless you have saved the work into your student OneDrive area.

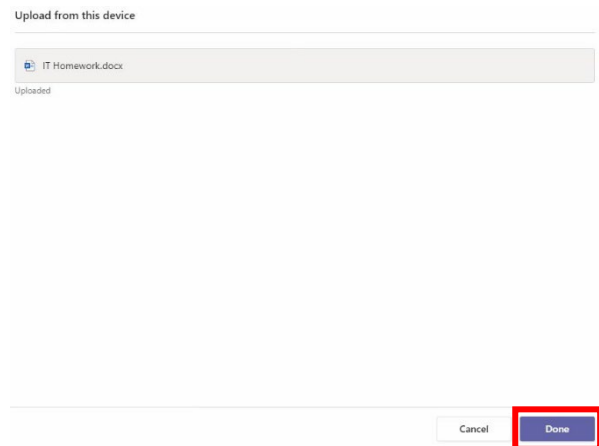

If you select OneDrive, this will list files saved in your OneDrive (cloud storage). Select the relevant File.

If you select 'Upload from this device' a pop-up box will appear, this will be 'file explorer'. Use this to locate the file on your device.
Once located and selected, select **Open**.

3. Once you have selected your file it will then upload. Select **Done** to finish the upload.

4. In your Assignment the file will then be attached.

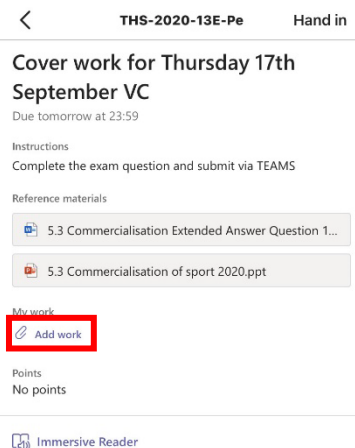

If you need to remove the file, select the 3-dot menu, then select **Remove**.

2.1.2 UPLOADING WORK FROM A MOBILE DEVICE

1. On your mobile device, locate the Assignment then select **View Assignment**.

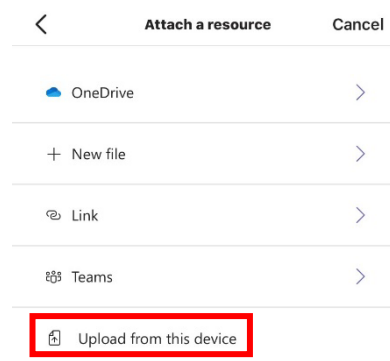

2. The Assignment will be shown, select **Add Work**.

3. Select the location of where the file (work) is saved.

Most of the time this will be 'Upload from this device', unless you have saved the work into your student OneDrive area.

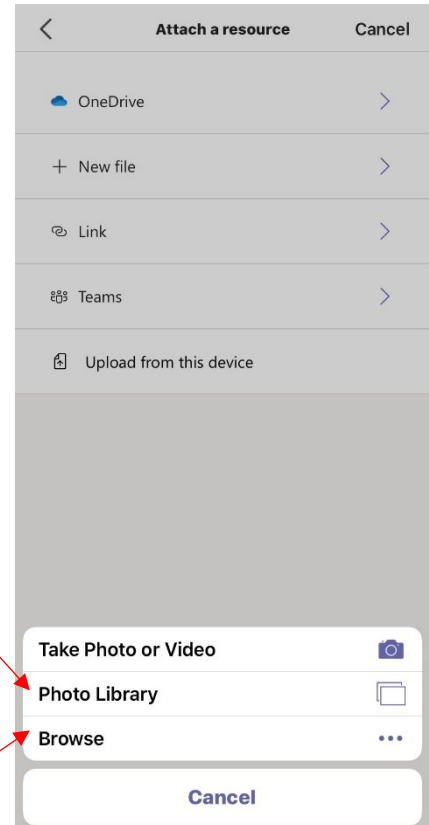

- Depending on your mobile device, you will be prompted on where to select the file from.

If you have a paper document you need to upload, take a picture on your device first then add via your **Photo Library**.

If you use 'Take Photo or Video' the quality of the image is low and will not be suitable for submission.

If your work is a document saved on your mobile select **Browse**.

Your file will then be added to your Assignment.

2.2 HANDING IN ASSIGNMENTS

When you have completed your Assignment and uploaded your work, you need to Turn In/Hand In your Assignment.

On the Assignment details there is a button in the top right-hand corner to **Turn In**.

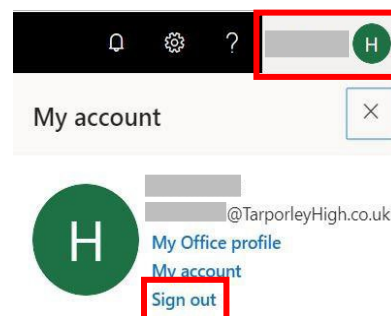

If you are handing in work late, the option will be **Hand in Late**.

3 HOW TO SIGN OUT OF YOUR SCHOOL OFFICE 365 ACCOUNT

1. To sign out of your office account, select your name and circle icon from the top right-hand corner of your browser.
A menu will then appear and will give you the option to 'Sign out'.
Select 'Sign out'.

2. Once you have signed out please close the webpage/browser.

Note: We recommend that you sign out of your Office account and the VLE, especially if there are siblings in a household that go to Tarporley High School. Otherwise when the next student goes to log in, it will remember the previous signed in account.
