The taskbar at the top lists several open applications: 'Launcher - SIMS ID', 'EduLink One', 'Welcome to eDofE', 'Yr9 Lunchtime Repa...', 'Yr 10 Late Detentio...', and 'GCSE cook'. The video player itself has a purple background. At the top center is the eDofE logo, which includes a crown above a stylized 'W' or 'V' shape, with the letters 'DofE' below it. Below the logo, the title 'How to log into eDofE' is displayed in large white text. At the bottom of the video player, there is a black bar with the text 'This video will show you how to log into eDofE for the first time.' and a 'Play (k)' button. How do I choose my activities?

There's a wide range of activities to choose from – most activities can count towards DofE. Maybe you want to try something completely new? Or get better at something you're already doing? Your DofE can be whatever you want it to be.

- Look at our Opportunity Finder for some inspiration on DofE.org.
- Look at the VLE lists
- Chat to your Leader to make sure an activity counts for the right section and that you've set yourself enough of a challenge.
- Most of all, choose activities you'll enjoy – it will make them easier to stick at it.

- **Can my skill be the same activity as my physical, i.e. dressage v show jumping**
- Their skill does need to be something different to say their physical, i.e riding a horse – skill can be jumping or dressage.
- **Who will assess my skills**
 - Their Assessor needs to be someone who is in charge, i.e. football manager, coach, teacher of music, lifeguard. ***It can't be a parent or a peer.***
- **Can I back date any skills as I have been doing a physical activity ongoing?**
 - They will be able to back date one section but not the full 3 months, the system will show how much you can when adding your time scale and dates.
- **What happens if I get injured?**
 - If you get injured the award will need to be postponed, then completed when you are better.
- **Can I double up my time?**

No doubling up time, it must be 1 hour per week on each section.

F) How to record evidence

You should be collecting evidence of what you did/achieved throughout your DofE programme. You can record this into your eDofE and get it approved by your DofE Leader.

	<h3>PHYSICAL SECTION ACTIVITY LOG</h3>	LEVEL (Bronze, Silver or Gold): 	TIMESCALE (No. of months for this section):

Notes:

- If extra space is needed, use an additional log.
- This *Activity Log* is only a personal record of the time you spend on your activities for each section.
- Remember to add this information, along with scans, photographs etc. (as high resolution jpegs) as evidence into eDofE.
- Download extra copies of this *Activity Log*, plus logs for the other sections, from www.eDofE.org or www.DofE.org/go/downloads
- For Expedition/Residential records, please refer to the *Keeping Track* booklet.
- You can ask your Assessor, Leader, instructor, trainer, coach, mentor etc. to initial each entry.

DE ASSESSOR VOLUNTEERING

Picture in picture

To the participant
Remove this card, fill in your details on the other side and hand it to your Assessor when you have completed the activity for the required period of time.

If your Assessor chooses to complete their report online, it will be sent to your DofE Leader to approve. If the Assessor completes this form, when they return it to you completed and signed, scan or photograph it and upload it to eDofE, marking it as an 'Assessor's Report'. When it has been approved you will see it appear in your View Evidence folder in eDofE. You can then submit this section for sign-off. You can also add your own comments in eDofE.

To the Assessor
Thank you for assessing this participant in their volunteering activity for their DofE Award.

To achieve an Award, participants need to prove what activities they've been doing, how they've progressed and how they've met the goals they set for each section. Please complete your report online at:

eDofE.org/assessor

You will need the information in the top right-hand box of the other side of this card. **This should be provided to you by the participant** in the space provided overleaf and return this card to the participant.
