

Careers Update

This time of year, there is a plethora of careers opportunities available for our students to capitalise on. This is especially important due to the fact that the post 18 careers process is approaching over the next 6 months. Thanks to all those who have already engaged with work experience, courses and investigated post 18 careers options. The following opportunities are available to register for now and we encourage you to do so to boost your future application letters and personal statements. This includes opportunities for both Y12 and Y13 students.

I would advise that students go through these with parents and an open discussion is had (especially if students are unsure of their future plans). Please email jbrownley@tarporleyhigh.co.uk with any updates on events that you have signed up to participate in.

Here are some opportunities that are coming up in the next few weeks:

Vocational and Apprenticeship Events

A reminder of the following websites are key for anyone looking to apply for apprenticeships (or for Y12, to see what sort of roles are available this time of year).

<https://www.gov.uk/apply-apprenticeship>

<https://amazingapprenticeships.com/>

See below for current and upcoming apprenticeship jobs to apply for.

National Careers week 2023

National careers week begins on **March 6th and ends March 11th**. This coincides with the Y12 students' . Keep an eye on their official twitter page and the Sixth Form twitter page and we will continue to share information in due course:

https://twitter.com/CareersWeek?ref_src=twsrc%5Egoogle%7Ctwcamp%5Eserp%7Ctwgr%5Eauthor

InvestIN [Our Programmes – InvestIN Education](#)

Students can now register for the InvestIN spring term career opportunities, which are available in 18 cutting-edge industries. **Students will learn directly from some of the UK's best professionals** - doctors, forensic scientists, architects, MPs, filmmakers, engineers and more - through a series of live, interactive simulations which provide tailor-made, professional experience to ages 12-18.

Apprenticeships in Finance

Accounting apprenticeships offer school leavers a fantastic opportunity. They can work in a finance role while studying an accounting qualification such as AAT, so it gives them the best of both worlds.

Apprenticeships may seem confusing, so we've pulled together a guide to keep things simple. Download it now to find out: [Becoming an apprentice | AAT](#)

What your students could earn

How they can find an apprenticeship

How they can stand out and land the job

What they'll study

Stories from other AAT students.

Level 6 Network Engineering Apprenticeship

You'll develop into a Network Engineering expert who can plan, design, build and test networks, identify security risks and troubleshoot problems and with a combination of digital and classroom-based learning, you'll also take modules in Network Design & Troubleshooting, IP-Based Network Switching Systems, Cyber Security, Unified Communications, and more. At the end of the 3 years, you'll have a **BSc (Hons) Degree in Digital & Technology Solutions**, specialising in Network Engineering.

Level 6 Data Analyst Apprenticeship

With a combination of digital and classroom-based learning, you'll take modules including Data Modelling & SQL Language, Big Data & Analytics, Data Communications & Network Security, AI & Machine Learning and Business Strategy. You'll gain hands-on experience working alongside industry leaders who'll share their knowledge with you. And you'll develop into a Data Analytics expert who can use a range of analytical techniques, present data visualisation, create reports and make recommendations that influence business-transforming decisions. At the end of 3 years, you'll have a **BSc (Hons) Degree in Digital & Technology Solutions**, specialising in Data Analysing.

Take a look: [Virtual Work Experience Search \(springpod.com\)](http://Virtual Work Experience Search (springpod.com))

LAW

Law **Are women fully protected by the law?**
Wednesday 8 March 2023, 16:00-17:00pm
(UK), Online

The University of Law
incorporating The College of Law

On **International Women's Day 2023**, we'll explore whether women's rights are fully protected by the Law. With our expert tutor we'll discuss where women's rights are from a legal and societal position, how are rights and equality associated with women and the law and is it working?

We'll explore women's bodily autonomy including abortion, surrogacy and prostitution in the light of the feminist theory. We'll debate how the legal justice system treats women who commit crimes and ask - where will we go next with women's rights and the law?

[Book now](#)

[The University of Law career events](#)

Events

Through a combination of talks and practical tasks our virtual events will give a career focused introduction into our subject areas, the associated professions, day to day tasks and skills required to succeed. You can also get answers to all of your questions in our Q&A panel sessions and discover more about our courses and resources available to you at The University of Law.

All sessions are virtual and take place at 4pm - 5pm.

If you haven't decided yet what career path you'd like to take, why not join multiple sessions to find out which is the right choice for you? All the information you need and booking links are below.

The screenshot shows the top navigation bar of the University of Law website. It includes the logo, a menu with links for 'Study', 'Locations', 'Employability', 'Students', 'Resources', and 'About', and social media icons for Twitter, LinkedIn, and Facebook. To the right are two purple buttons: 'Order Prospectus' and 'Book an Event'. Below the navigation is a black banner with the text 'Business leaders predict the big opportunities for 2023 – and how to make the most of them. [Read more](#)'. The main banner below is purple and features the text 'EXPLORE CAREERS SERIES' in white. It includes a central image of a person in a white lab coat standing in front of a classical building entrance, surrounded by several circular inset images showing various career-related scenes.

Law

BVL is a 10 year old charity that works to improve social mobility in the **legal profession**. We organise projects to give opportunities to state school students to understand the legal profession and gain experience to put on their CVs and personal statements. Please view our short 'Who are we' video (https://www.youtube.com/watch?v=0aT7C9v3uxM&ab_channel=BVL) for more information about our objectives as an organisation.

All of our projects are completely free of charge and open exclusively to state school students. More information about these projects is below and on our website (<https://www.bvl.org.uk/>). We hope you will pass on the details of these projects to your AS and A Level students and their tutors, and encourage students to apply.

You are invited to follow this link

<https://www.dropbox.com/s/we345hxoi3azods/BVL%20-%20Have%20you%20considered%20a%20career%20in%20law.pptx?dl=0>) to a PowerPoint presentation containing useful information for students about pursuing a career in the law. Please feel free to use the PowerPoint as the basis for sixth form tutor periods and school assemblies.

Upcoming BVL Projects

Aqeel H Noorali Essay Competition, deadline for submissions: 31 March 2023. Details on competition and how to enter here: <https://www.bvl.org.uk/aqeel-h-noorali-essay-competition>. Students can sign up to receive occasional reminder emails about the deadline, here: <https://bvl-law.typeform.com/to/ktAlxbOp>.

Introduction to the Legal System Programme, deadline for applications: 6 April 2023. Details about the programme and how to enter, here: <https://www.bvl.org.uk/introduction-to-the-legal-system-project>.

Chester Schools Together events:

We are pleased to be able to offer students in Year 11 and 12 the opportunity to attend two events later this month, that will provide specialist support and guidance for those interested in the university pathways below.

The events are being held through the partnership project, Chester Schools Together, and will be held at The King's School.

Both events will be a useful addition to the advice students are already receiving in school.

Medicine / Dentistry

Applications for the **free online** London Med Schools Summer Programme 2023 are now open. This programme is for **Year 12** students living in England (outside of Greater London), who have only attended non-selective state schools since age 11 and are currently studying A-level biology and chemistry. For more details on student eligibility you can [visit our website](#) or access [the application form here](#).

Funded by Health Education England, the London Med Schools Summer Programme brings together four of London's medical schools (King's College London, Queen Mary University of London, St George's University of London, and University College London) to give 75 Year 12 students from across England an opportunity to find out what it is like to study medicine in London. Working with patients and student ambassadors, participants will gain a greater understanding of the realities of being a doctor and the skills needed to succeed.

The main summer school programme takes place from **Monday 17th July to Friday 21st July** on Zoom. There will also be additional events delivered in conjunction with the summer school which are detailed on the application form. For more information and to apply, [students should follow this link](#). Students can also access the application form using the following QR code:

The deadline to apply is **9am on Monday 27th March 2023**. This programme is part of a series of events run with the **Medical and Dental Schools Council**. Please see here for a [full list of the programmes available](#) across England.

HSBC UK Work Experience Programme 2023

Apply now so that you don't miss out on this unique opportunity!

Applications are now open for our HSBC UK Work Experience Programme 2023.

The programme is designed for students in full-time school/college education, within years 9-13.

Students will gain real life hands-on experience of the world of work, develop a deeper understanding of the finance industry and receive some recruitment tips to help them in the future!

HSBC UK Work Experience Programme 2023 dates:

- Week A: 10th-15th July 2023
- Week B: 7th-11th August 2023

The programme is hybrid (2 days placement in-person and 3 days of virtual employability and skills workshops).

A 2022 HSBC Work Experience student said:

“During my work experience I gained a huge range of knowledge, I learnt a lot about various areas of the bank that I otherwise would not have thought about. I learnt about the vast amount of opportunities and jobs at HSBC and how people of many different skillsets can easily find a job suitable for them. In addition to this, I gained a lot of useful advice on personal branding and the way I present myself to potential employers. It was the best work experience I have completed so far”

Application process:

- Submit an online application form
- Complete a values-based online assessment
- Participate in a strengths-based interview with one of our HSBC Recruitment team

How to apply:

Please [click here](#) to apply to the programme.

Contact work.experience.team@hsbc.com if you have any questions about the application process.

Work Experience Application Workshop:

We are running a Work Experience Application Workshop on Friday 17th February 2023 from 16:00-16:30pm. An experienced recruiter will talk you through a brief overview of the HSBC Work Experience Programme, including what to expect on the programme, how to succeed in the selection process and the strength based interview.

Please [Click here to register](#) for this workshop.

Bellway Homes.

If you don't already know, Bellway is offering your students the opportunity to get first-hand experience of what it's like to work for them through their virtual **Career Readiness Programme**. Check out [this quick video](#) that I've put together to tell you everything you need to do to get started!

Watersprite Film Festival BBC Three Creative Futures Day

Watersprite Film Festival

(Media and Photography students will be off-timetable for this in the morning and we will screen in college – Friday March 3rd)

The largest student-run film festival in the UK, and a registered charity. One of our biggest initiatives is the Creative Futures Day. It's a day of free talks, workshops and panel discussions curated for sixth-formers across the country that may be interested in a career/further education in the film industry. In previous years this was restricted to local schools in Cambridgeshire, but this year we've partnered with BBC3 to stream the day of talks to schools across the country! It's occurring this year on **Friday, March 3rd**.

Brio Leisure

Brio Leisure are running a fully funded level 1 and level 2 swimming teacher's course. This opportunity is open to anyone and everyone over the age of 16, no prior experience needed.

Could I please ask that the poster is circulated to your pupils, staff and parents or share our post on your social media channels <https://www.facebook.com/BrioWinsford>
