

A background photograph of three students sitting on a concrete ledge outdoors. On the right, a young man with a beard, wearing a light blue denim vest over a grey long-sleeved shirt and blue jeans, is smiling and looking towards the left. He is holding a blue book and a purple and yellow striped ball. In the center, a young woman with long pink hair, wearing a white sweater and blue jeans, is also smiling and looking towards the left. On the far left, the back of a student's head wearing a black beanie is visible. The scene is brightly lit, suggesting daytime.

UCAS

What is UCAS?

UCAS is an **independent charity** providing information, advice and admissions services. We're there to help people **discover** what their next step might be.

UCAS **does**:

- provide information, advice, and support
- process applications
- complete fraud and verification checks
- take part in education sector engagement

UCAS **doesn't**:

- make decisions or offers
- set entry requirements
- advise on finance
- advise on immigration or visas

- **Certificate of Higher Education (CertHE) and Diploma of Higher Education (DipHE):** first and second year of a degree course.
- **Higher National Certificate (HNC) and Higher National Diploma (HND):** HNC is a one-year industry specific course, and the HND is a two-year industry specific course.
- **Higher apprenticeships:** provide an opportunity to gain Level 4 qualifications or above, e.g. HND, or foundation degree while you work. Can take from one to five years to complete, depending on the course level.
- **Foundation degree:** flexible vocational qualification, combining both academic study and workplace learning. It usually takes two years to complete.
- **Bachelor's or undergraduate degree:** a three to four-year course which can also be available as a part-time option, allowing you to study and work.
- **Degree apprenticeships:** enable you to gain a full undergraduate or master's degree while you work. Degree apprenticeships take three to six years to complete, depending on the course.

What am I doing now?

For example, in England, Northern Ireland and Wales:

GCSE grade 9-4 is a
Level 2 qualification

A level or T level is a
Level 3 qualification

Did you know?

An apprenticeship offering a degree may also be called a Level 6 or Higher Apprenticeship

Apprenticeships work in levels too!

In England:

Level 2	Level 3	Level 4-7
Intermediate Apprenticeship	Advanced Apprenticeship	Higher Apprenticeship

In Wales:

Level 2	Level 3	Levels 4-7
Foundation Apprenticeship	Apprenticeship	Higher Apprenticeship

In Northern Ireland:

Level 2	Level 3	Level 4-7
Level 2 Apprenticeship	Level 3 Apprenticeship	Higher Apprenticeship

What am I doing now?

Apprenticeships work in levels in Scotland too

For example, in Scotland:

Scottish National Level 5 is a
SCQF Level 5 qualification

Scottish Higher is a
SCQF Level 6 qualification

SCQF Level 4-6

Foundation
Apprenticeship

SCQF Levels 5+

Apprenticeship

Who can start an Apprenticeship?

UCAS

- Anyone 16 and over
- Anyone not in full time education*
- Apprenticeships in Scotland, Wales or England require you to be living in the same country as the apprenticeship
- Apprenticeships in Northern Ireland require you:
 - be employed or be about to take up paid employment in Northern Ireland
 - be working a minimum of 21 hours per week on a permanent contract

* a foundation apprenticeship in Scotland is typically taken alongside Scottish Higher and National 5s

Key facts

Start your application from
14 May 2024

Universities and colleges **can't see** your other choices when you apply.

Apply by the **equal consideration date**.

Five choices, unless applying to study medicine, veterinary, medicine/science, dentistry – then it's **four choices**.

You **can't apply to both** Oxford and Cambridge.

Applying costs **£28.50**.

Choosing the right **place** for you

- **Style** – from traditional, with a focus on subject-based courses and research, to modern universities/colleges, with a greater focus on vocational courses.
- **Location** – some are in large cities, others in small towns, by the coast or in the countryside – it's all a major influence on the environment and lifestyle.
- **Size** – larger universities can have more than 20,000 students, whereas some of the smallest have only a few thousand.
- **Culture and facilities** – influenced by a range of factors, including the diversity of students who attend.
- **What graduates do** – all universities collect destination statistics; it can be useful to find out what jobs or further study students go on to.
- **Tuition fees** – can vary between universities and colleges; check if there are scholarships or bursaries available.
- **Living costs** – accommodation, transport, and food can vary enormously.

Choosing the right **course** for you

- What does the course cover?
- Courses with the same title may be very different.
- Look carefully at the core course content, and the range of optional studies/modules available.
- Which modules are the most interesting and relevant to your career aspirations?
- See if the course or university/college offers any internship, placement, or study abroad opportunities.
- How is the course taught – structured teaching, or more independent research?
How many lectures are there, and how much group work will be done in seminars?
- How is the course assessed?

Completing the UCAS application

Student registers for a UCAS Hub account to carry out research and start application.

Student completes all sections of the application and sends it to their school/college.

Teacher or adviser reviews the application and adds reference and predicted grades.

Applications are sent to UCAS by the school or college on behalf of the student.

Universities and colleges make their decisions on the application.

Linking to a centre

- If you're applying with the help of a school, college or centre you should enter their '**buzzword**' to link your application to them.
- The buzzword is a unique code set by your school, college or centre.
- By linking your application you're giving your school, college or centre permission to view and track your application.
- It also means they'll provide you with a reference and send your application to UCAS on your behalf.

Tracking your application

Waiting for decisions

Universities or colleges are considering your application.

Providers have until dd-mm-yyyy to respond to your choices.

All decisions received

You've received a decision from all of your choices. You can now reply to your offers at any time.

Reply by dd-mm-yyyy

Waiting for confirmation

You're waiting for confirmation of your choices. If you meet the offer conditions, the university/college will confirm your place. Send them your results if requested.

Follow your application 24/7:

- see your choices
- keep contact information up to date
- view and reply to your offers

You'll receive one of three decisions from your choices:

- unconditional offer
- conditional offer
- Unsuccessful

Replies to offers

Once you have decisions on all your choices, you can choose two:

- One as a 'firm' acceptance – your first choice.
- The other as an 'insurance' acceptance. This acts as a back-up if you do not get into your 'firm' choice.

Any remaining offers must be declined.

Once all your decisions and replies have been made, if you are not holding an offer, you may be able to use Extra or Clearing to find available places.

Other options

Extra (26 Feb – 4 Jul)

- Used all five choices and had no offers.
- Add Extra choices for consideration one at a time.

Clearing (5 Jul – Oct)

- Apply after 30 June, receive no offers, decline all offers, not met conditions.
- Find vacancies from 5 July and add a Clearing choice to your application.
