

Barclays Apprenticeships:

Barclays Apprenticeships 2021 will be open for applications shortly. A 3-week virtual campaign will be delivered from **11th-29th January** aimed at students and job-seekers.

Prior to launching these events, Mrs Helsby is attending an 'Influencer' session this week. These virtual events will provide Careers Advisors insight into our offerings for 2021, eligibility criteria for potential applicants and also the chance to answer questions before promoting with students. More information to follow.

 ERNST & YOUNG

Ernst and Young Apprenticeship Guidance

Students attended a webinar from this organisation – we have good links with them due to one of last year's students working there currently. If it would be helpful for someone from EY to give a talk to interested students then we can try to facilitate this. More information on the company and their Apprenticeship programme is here:

Join Vodafone for a week-long virtual work experience programme where you'll design your own Internet of Things connected device, whilst learning about key business areas! You'll hear from inspirational Vodafone leaders and learn what it takes to launch a brand-new digital product, developing key skills across a variety of domains. The programme will take place between **15th February 2021 and the 19th February 2021 and involves 15 hours of activity with 3 hours of work each day.**

During the week you will attend a series of live webinars, panel discussions, learning content, and team workshops. You'll work on developing a new Vodafone product whilst learning about the variety of business areas involved in the process across Technology, Digital, Marketing and Consumer. You'll also access workshops to develop essential employability skills and careers awareness to set you up for success.
